About the Team

The Program Coordinator will join a talented team of mission-driven staff that believes in the mission and vision at FLOC.

The Neighborhood Tutoring Program helps students in grades 2nd-12th achieve grade-level competency in reading and math through one-on-one attention and a structured, step-by-step curriculum. Frequent tests help ensure that a student has mastered the material in one lesson before moving on to the next. When students are guided at their own pace and engaged through fun and interesting activities, they gain academic skills and confidence in their ability to learn.

The Neighborhood Tutoring Program team at FLOC ensures that all steps are taken to make sure the program is able to run full, strong, and ensure success for our students. This individual will be expected to have excellent communication skills, be exceptionally motivated, extremely organized, and a highly committed rising star who will work within Washington D.C. and be required to travel to other work sites within D.C.
